Docket No. 2001-0559A

Filed May 11, 2001 :

NOVEL PROTEIN AND UTILIZATION THEREOF

RESPONSE

Assistant Commissioner for Patents,  
Washington, DC 20231

Sir:

This is responsive to the Notice of Missing Requirements dated October 5, 2001.

The Notice requires that the Applicant file an executed declaration of the inventors, the \$130.00 surcharge for late filing of the executed declaration, and a statement that the contents of the paper and computer readable form of the sequence listing are the same and include no new matter.

Regarding the declaration requirement, this requirement is in error. An executed declaration was submitted concurrently with the filing of the 371 application on May 11, 2001. Enclosed please find a copy of the executed declaration, and a copy of the PTO stamped postcard receipt.

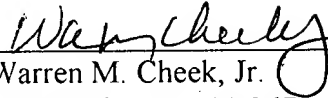

Accordingly, the requirement for an executed declaration was satisfied on May 11, 2001. Thus, no PTO fee of \$130.00 surcharge is required.

Regarding the statement, it is hereby certified that the contents of the paper and computer readable copy of the sequence listing are the same and include no new matter.

Favorable action on the merits is solicited.

Respectfully submitted,

Hiromu SUGINO
